

UKMF Autumn Day

Sequencing Therapy and Personalised Medicine in Myeloma

Thursday 11th November 2021

Hybrid Event from the Cavendish Conference Centre, 22 Duchess Mews, London W1G 9DT

(Register to attend in person or watch a live stream)

Joint Chairs: **Dr Ceri Bygrave** (*University Hospital of Wales*)
Dr Sarah Lawless (*Belfast City Hospital*)

10.00 *Registration*

10.25 Welcome

Approach to sequencing therapy: what to give, when and to who? The UK perspective

10.30 New UKMF/BSH guidelines on 1st line treatment

Dr Jonathan Sive
University College London

10.45 Treatment of genetically high risk myeloma:
latest update from the MUK 9 trial

Dr Matthew Jenner
University Hospital Southampton

11.00 Armistice Day 2 minute silence

11.02 Sequencing therapy and treatment of patients at first
relapse: what are the best agents in 2021?

Dr Rakesh Popat
University College London

11.17 Live UK Q & A

11.30 *Break*

Michael Morley Lecture

12.00 Introduction

My current approach to sequencing therapy in myeloma
and how this can be refined with personalised therapy

Dr Ceri Bygrave & Dr Sarah Lawless

Professor Faith Davies
NYU Grossman School of Medicine, New York

12.45 Q & A

13.00 **AGM**

13.30 *Lunch*

EHA Bursary Winners

14.00 Multiple myeloma derived mitochondrial DAMPs
promote a pro-inflammatory signature within the
myeloma bone marrow microenvironment

Dr Aisha Jibril
University of East Anglia
UKMF/GSK EHA Bursary Winner

14.10 Impact of Covid-19 on autologous stem cell
transplantation (ASCT) in multiple myeloma (mm)
patients: a single-centre, qualitative evaluation study

Dr Marquita Camilleri
University College London
UKMF/Celgene EHA Bursary Winner

14.20 Discrepancies in ethnic diversity of patients enrolled
into UK multiple myeloma clinical trials

Dr Samir Asher
University College London Hospitals
UKMF/Sanofi EHA Bursary Winner

Continued over page

First line therapy on both sides of the Atlantic

- 14.30 Front line treatment in Europe **Dr Inger Nijhof**
Vrije University, Amsterdam
- 14.45 Front line treatment worldwide/US **Dr Shaji Kumar**
Mayo Clinic, Rochester
- 15.00 How can we use trial data and real world evidence to inform our approach to sequencing therapy? **Professor Sagar Lonial**
Emory University School of Medicine, Atlanta
- 15.45 Live International Q & A **Dr Inger Nijhof, Dr Shaji Kumar, Prof Sagar Lonial**
- 16.00 *Comfort break*

Introduction of new faculty members of the College of Myeloma (UK)

- 16.15 Current controversies surrounding consolidation and maintenance followed autologous stem cell transplantation in NDTEMM **Professor Graham Jackson**
Newcastle University
- 16.35 Personalising the management of patients with MGUS and smoldering myeloma **Dr Jenny Bird**
University Hospitals Bristol
- 16.55 *Summary and Close*

Registration:

Standard Registration Fees (until 28th October):
£70 (£50 for Scientists, Nurses & Pharmacists)

Late Registration Fees (from 29th October):
£110 (£85 for Scientists, Nurses & Pharmacists)

Online registrations is now open at
www.collaborativeconferences.co.uk/ukmforum

You will have the option to indicate whether you will attend in person or watch the live stream while completing the registration form. If you change your mind nearer the time, just drop us a line to let us know.

Enquiries: Please contact Alex (alex@collaborativeconferences.co.uk)

The UK Myeloma Forum exists to improve the care of myeloma patients through education and the promotion of trials

The sponsors have supported the meeting by purchasing exhibition stand space and delegate places and have had no input into the programme, selection of speakers or topics
